BRDECO

车库门工业门专业制造商

SECTIONAL DOOR MANUFACTURER

BRDECO

国际先进的全自动PU门板生产线 (Automatic PU panel line)

生产车间 (Workshop)

- 门板开窗预打孔设备

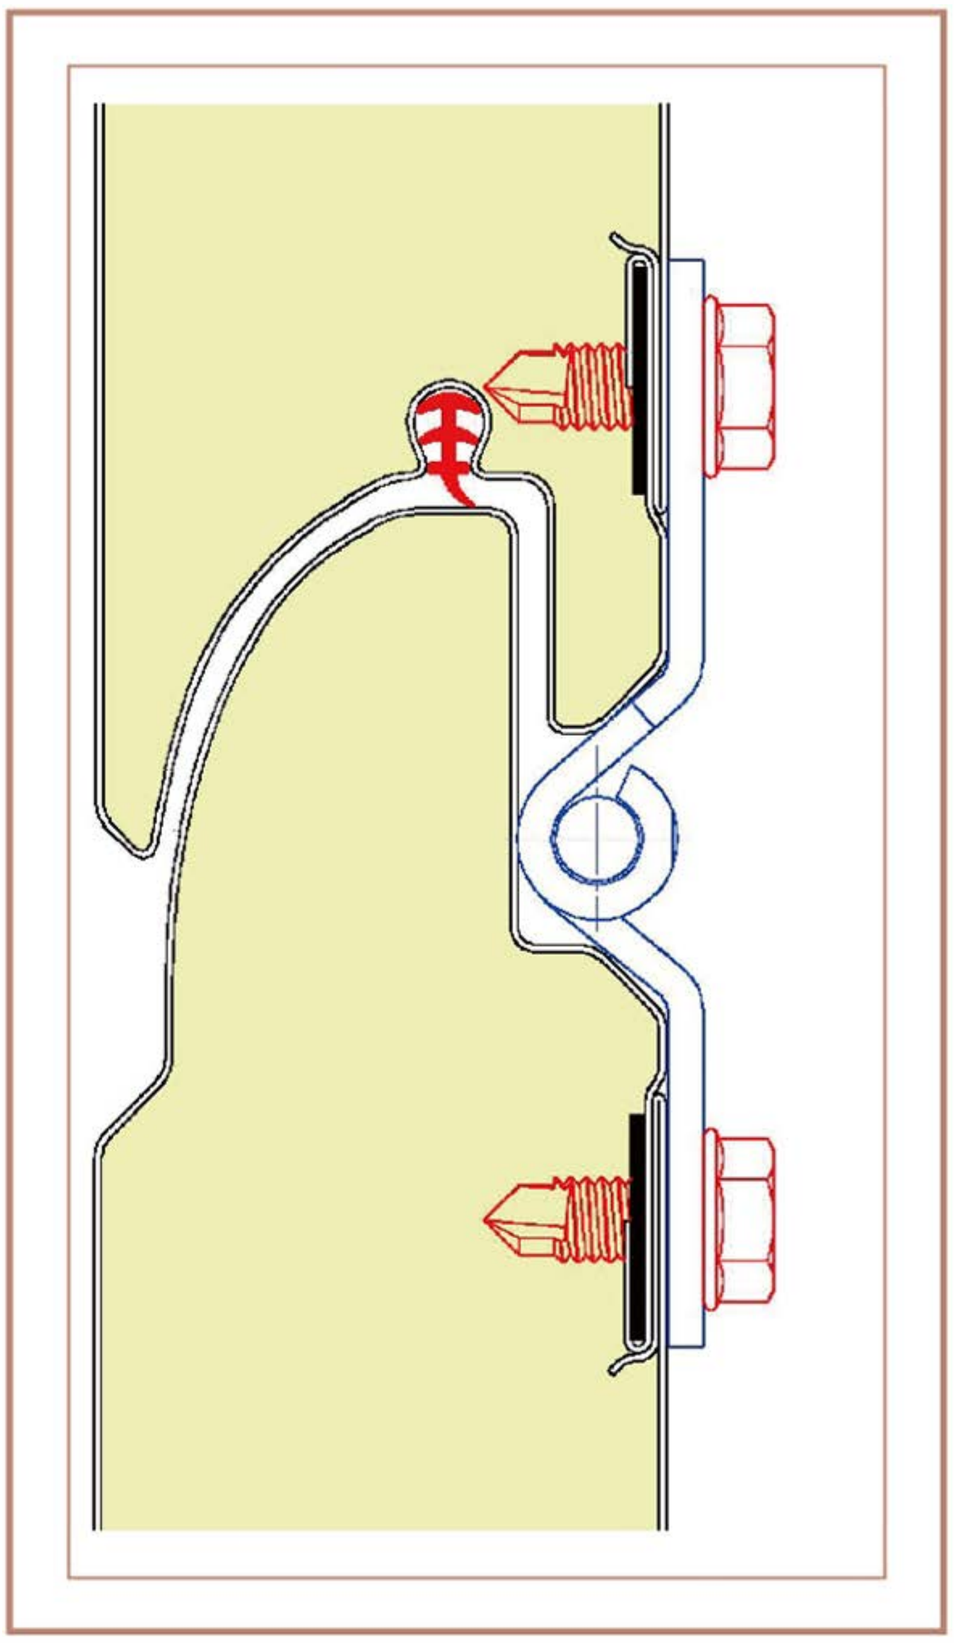

Window hole cutting and p re-drilling hole of screws

- 冷弯成型设备

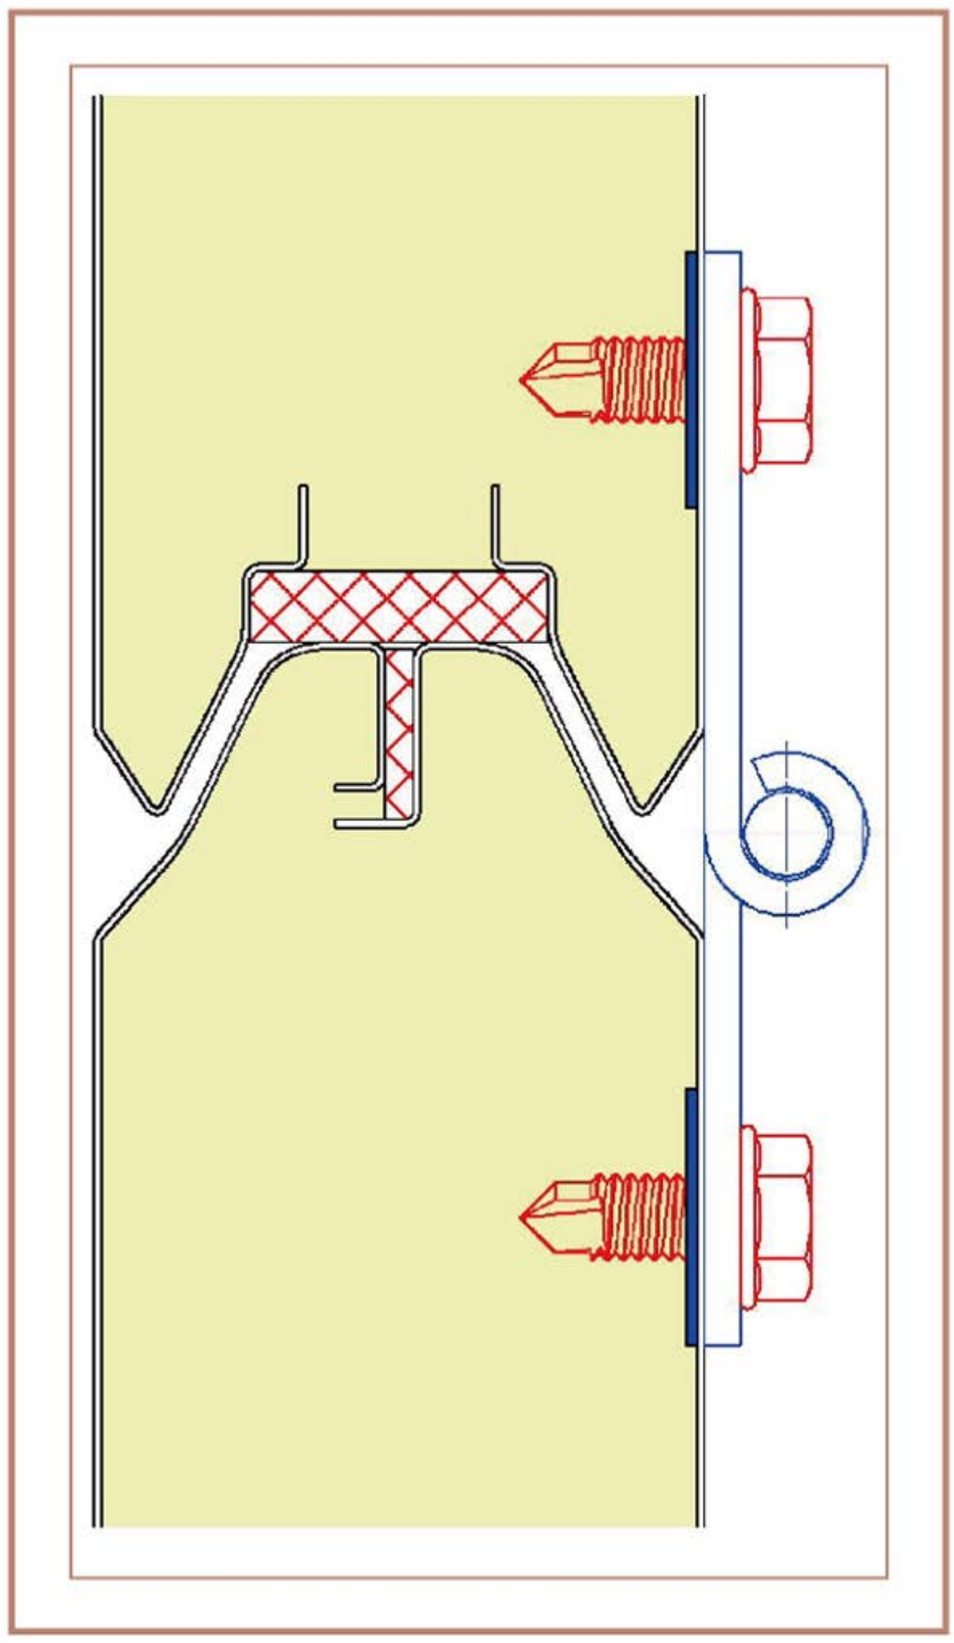

Cold roller forming machine

门板板型（Panel design）

• 防夹手接口
Finger safe

• 断桥接口
Thermo-break

• 40 防夹手

• 43 断桥

• 50 断桥

• 75 断桥

• 背筋板 43+60

门板款式（Panel model）

小方格 Cassette

美式大方格 Ranch

V型纹 V lines

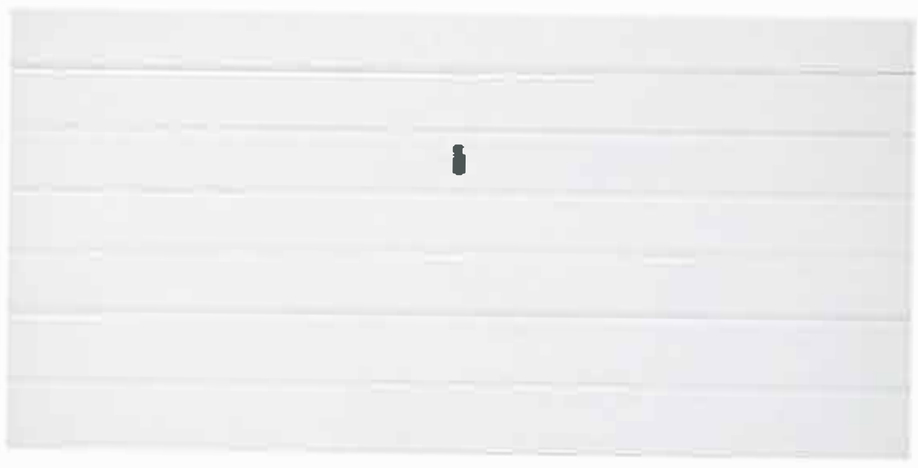

小波纹 Fine Rib

镜面顶部条纹 Smooth & Top line

细木纹 Slim Woodgrain

单条纹 H-1 line

镜面 Smooth

三条纹 Three Lines

经典原木纹 Classic Woodgrain

表面纹理（Surface texture）

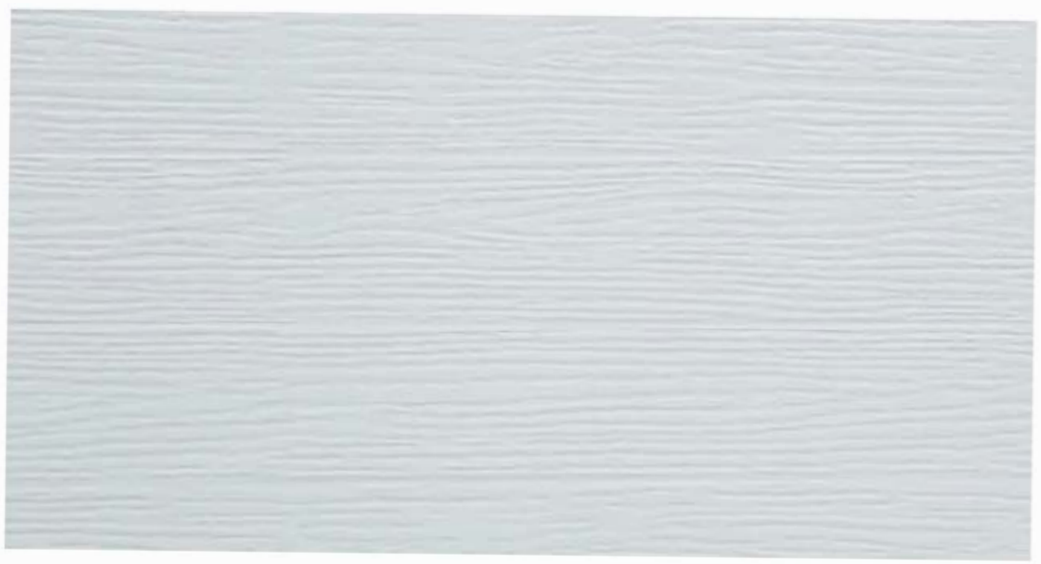

细木纹 Woodgrain

橘　皮 Stucco

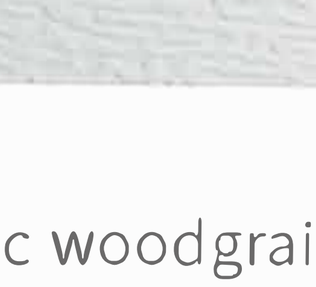

经典原木纹 Classic woodgrain

镜　面 Smooth

颜色（colour）

白色 White

金橡木 Golden oak

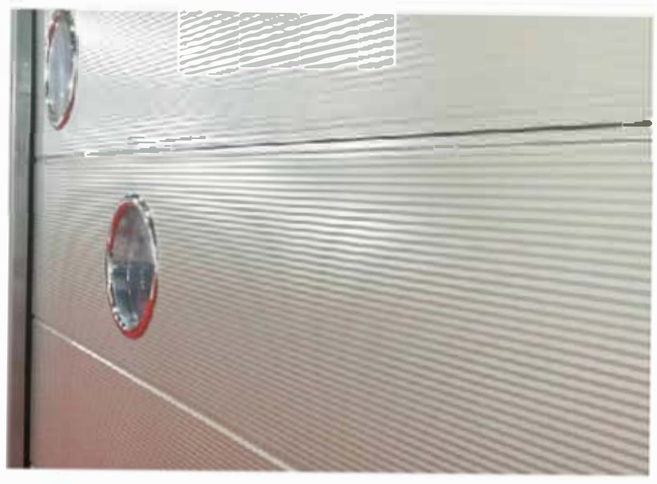

象牙色 Ivory

黑胡桃 Dark Walnut

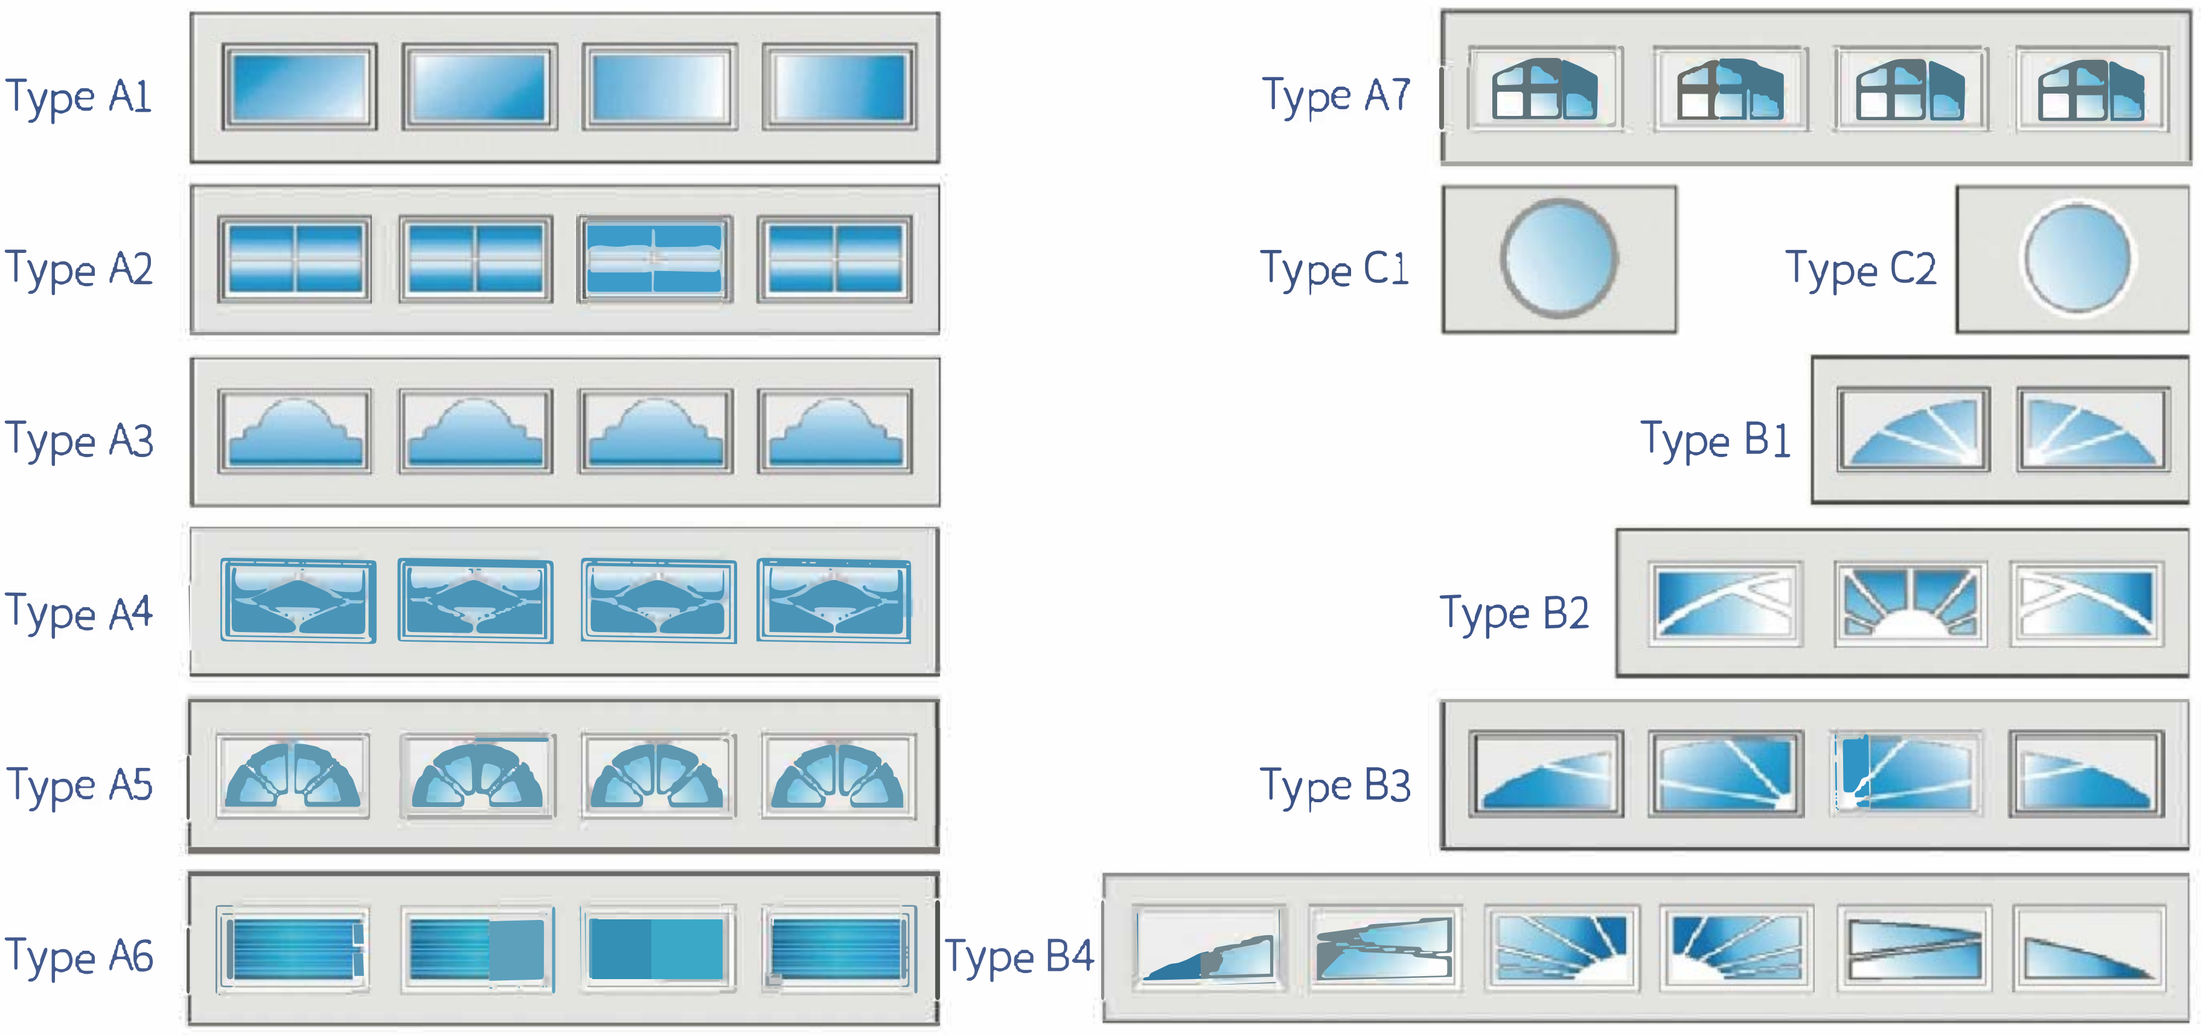

银灰色 Silver

煤灰色 RAL 7016

窗子款式 (Window style)

- 门中门(无门槛) Pedestrian door without threshold

- 门中门(有门槛) Pedestrian door with threshold

大背筋工业门 (Industrial Door with Rib Panels)

高分子板工业门（FRP Industrial Door）

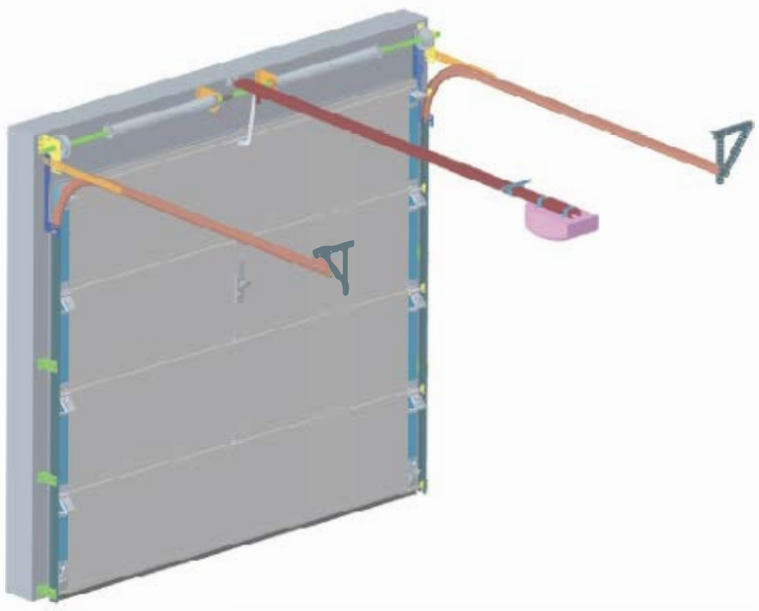

FRP PANEL

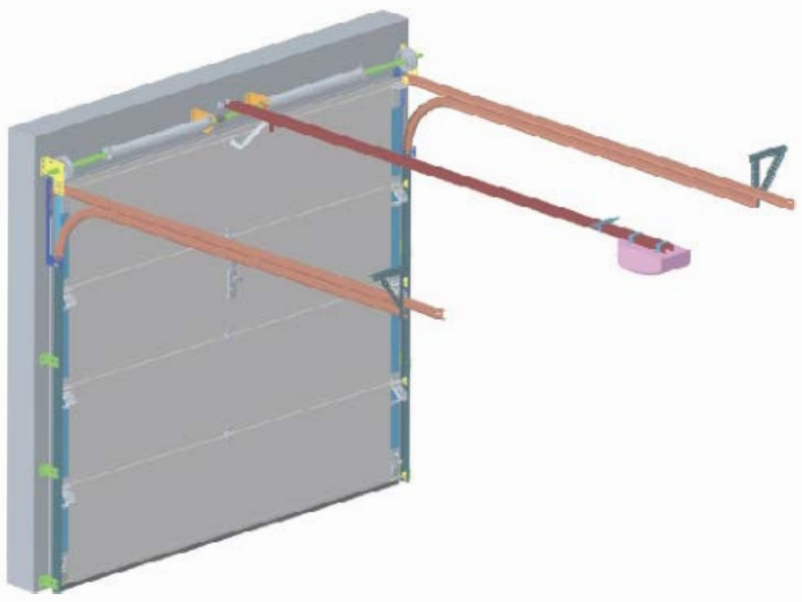

车库门系统配置 (Garage door accessory models)

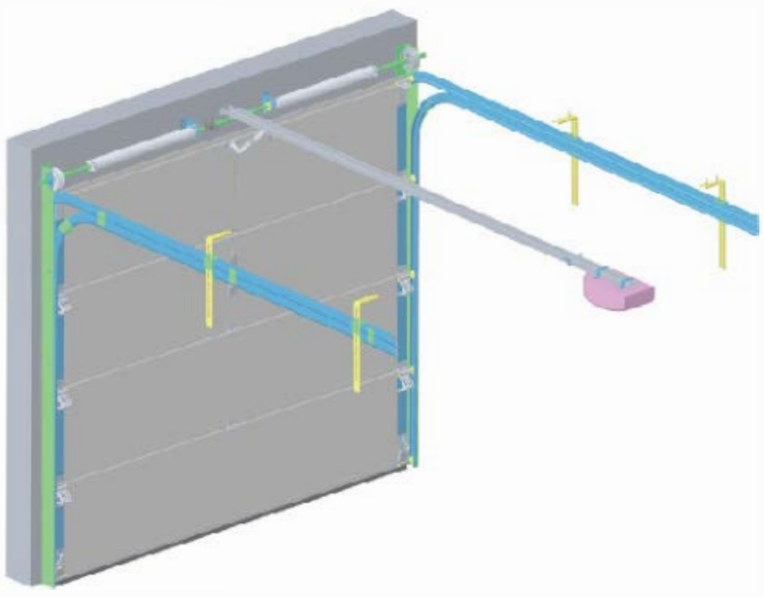

- 单轨 (Single track)

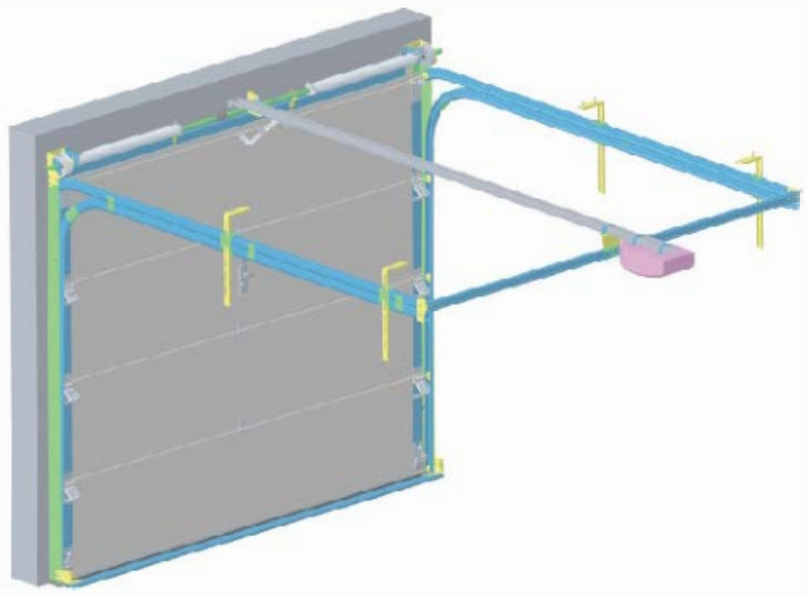

- 双轨 (Double track)

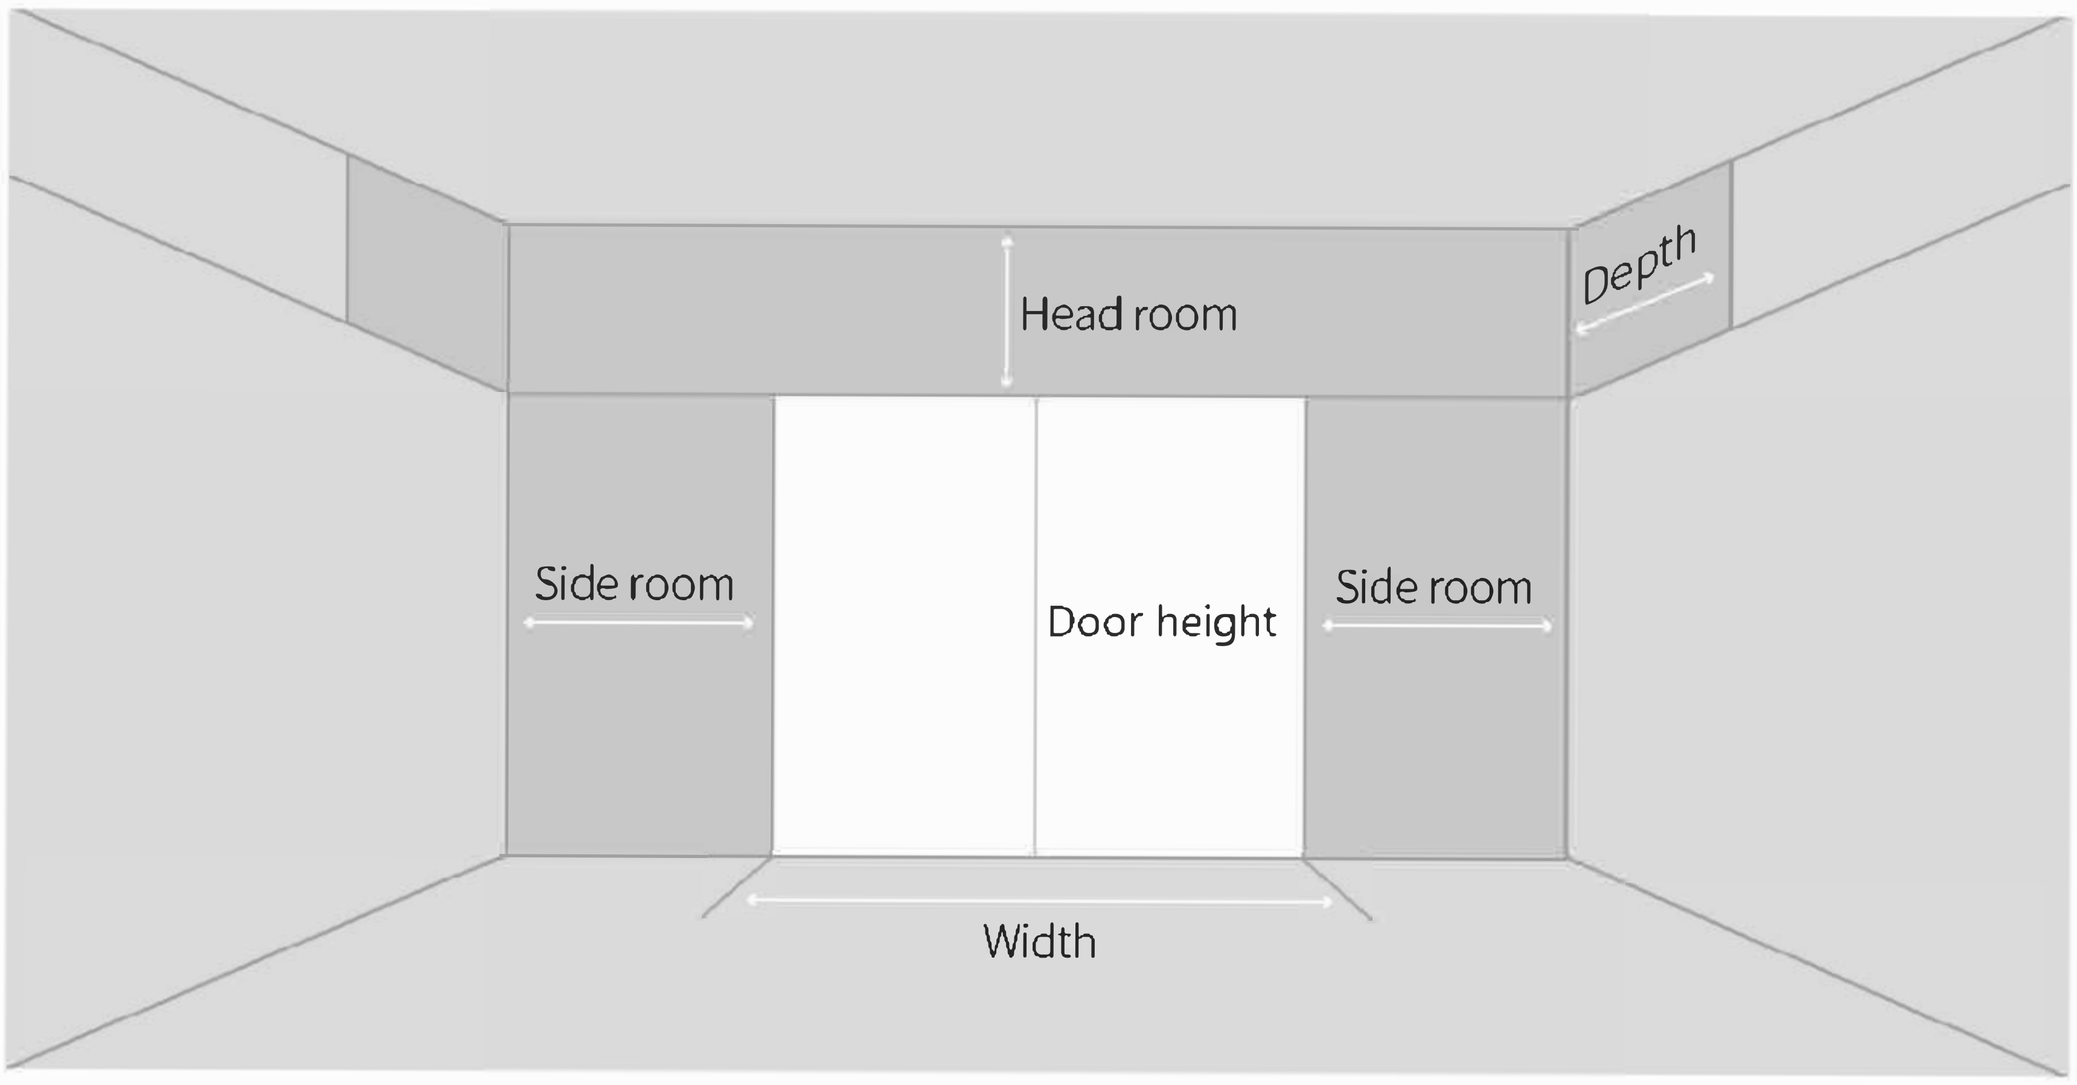

- 欧标 (CE standard)

- 预组装 (Pre-Assemble)

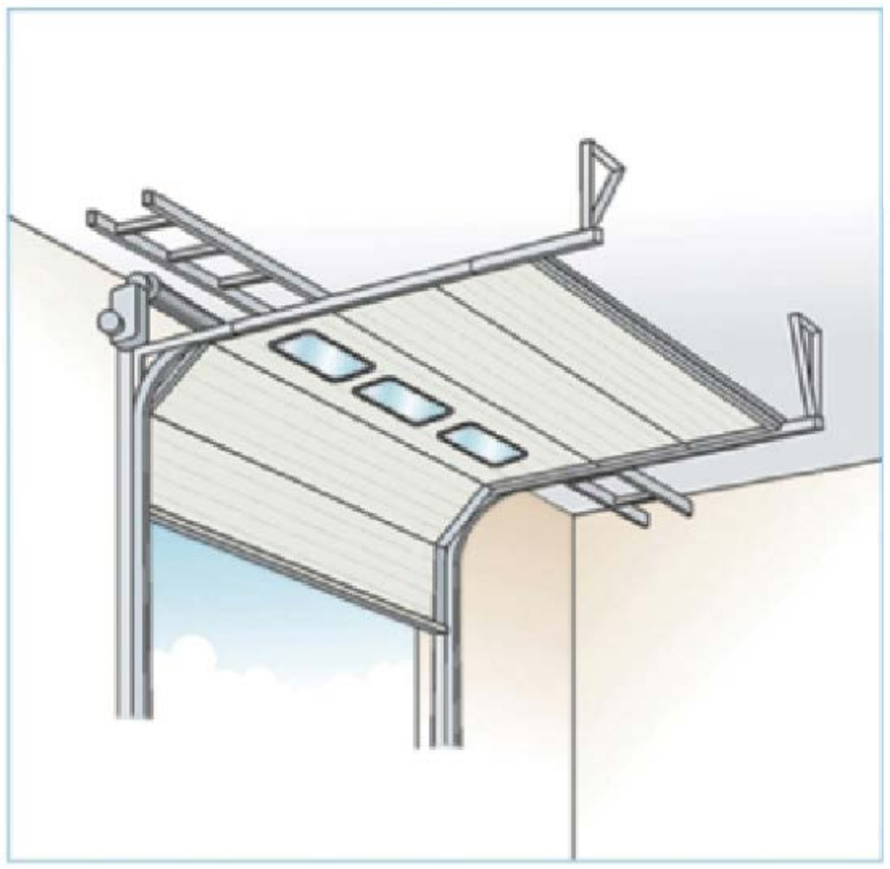

车库洞口图 (GARAGE HOLE DIAGRAM)

门楣要求 (headroom requirement)

- 单轨 (single track) :≥350mm
- 欧标 (CE) :≥200mm
- 双轨 (double track) :≥220mm
- 预装组 (Pre-Assemble) :≥190mm

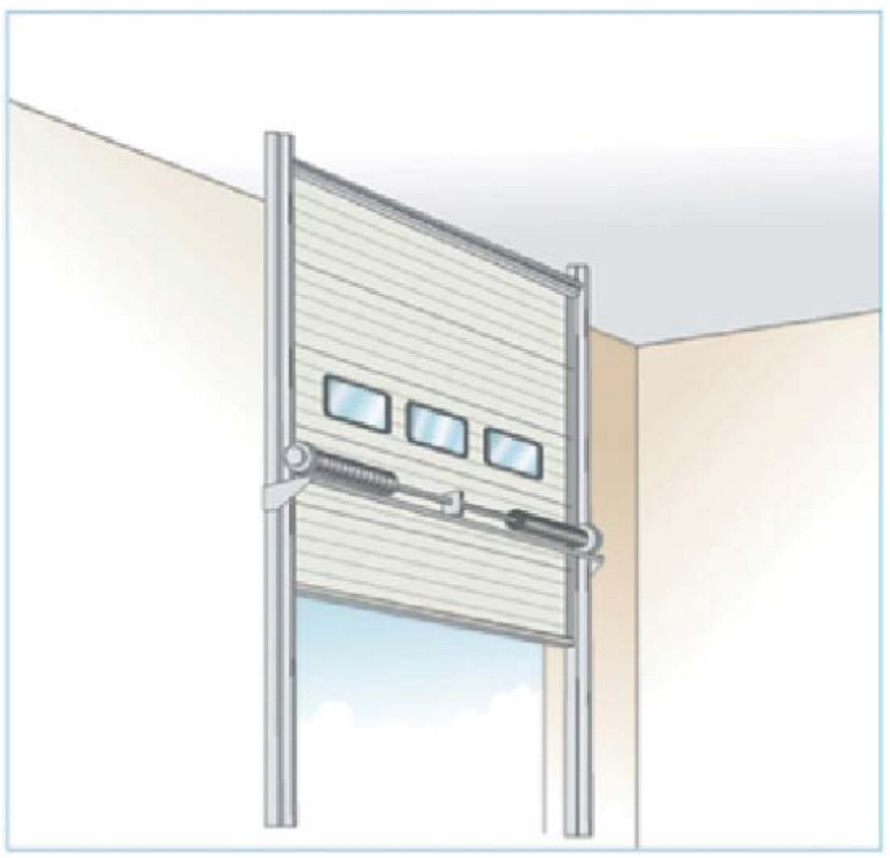

工业门安装方式 (Installation way of industrial doors)

- 标准提升式

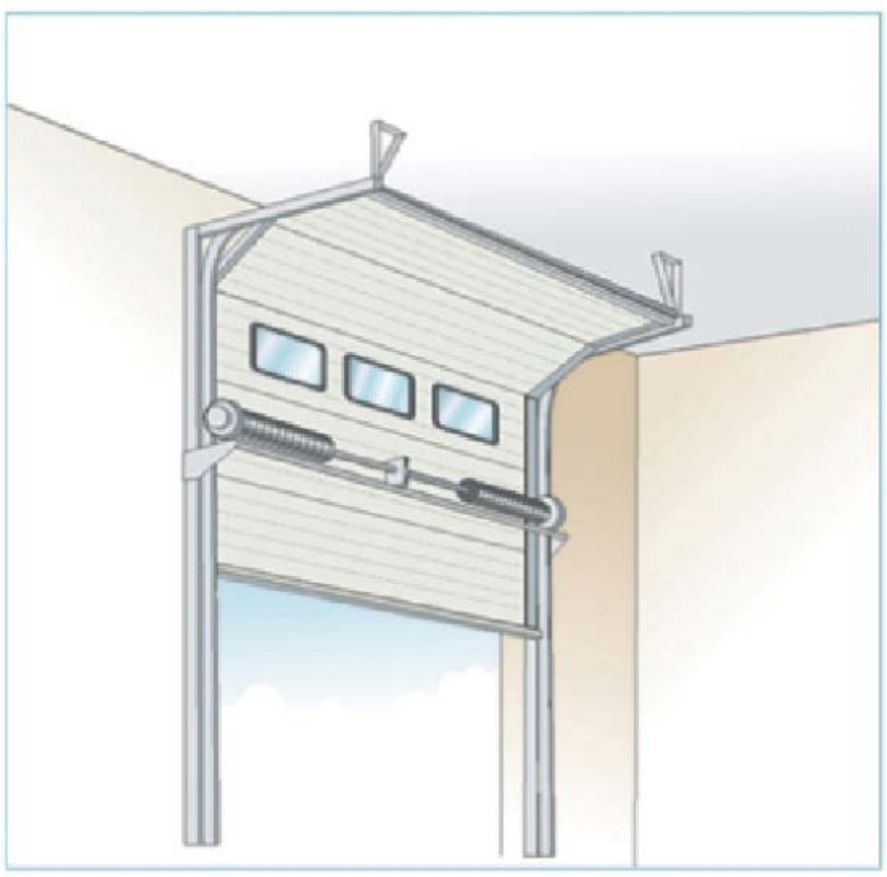

Standard Lifting

- 垂直提升式

Vertical Lifting

- 高位提升式

High Lifting

阳光门系统配置（Aluminum Frame Glass Garage Door）

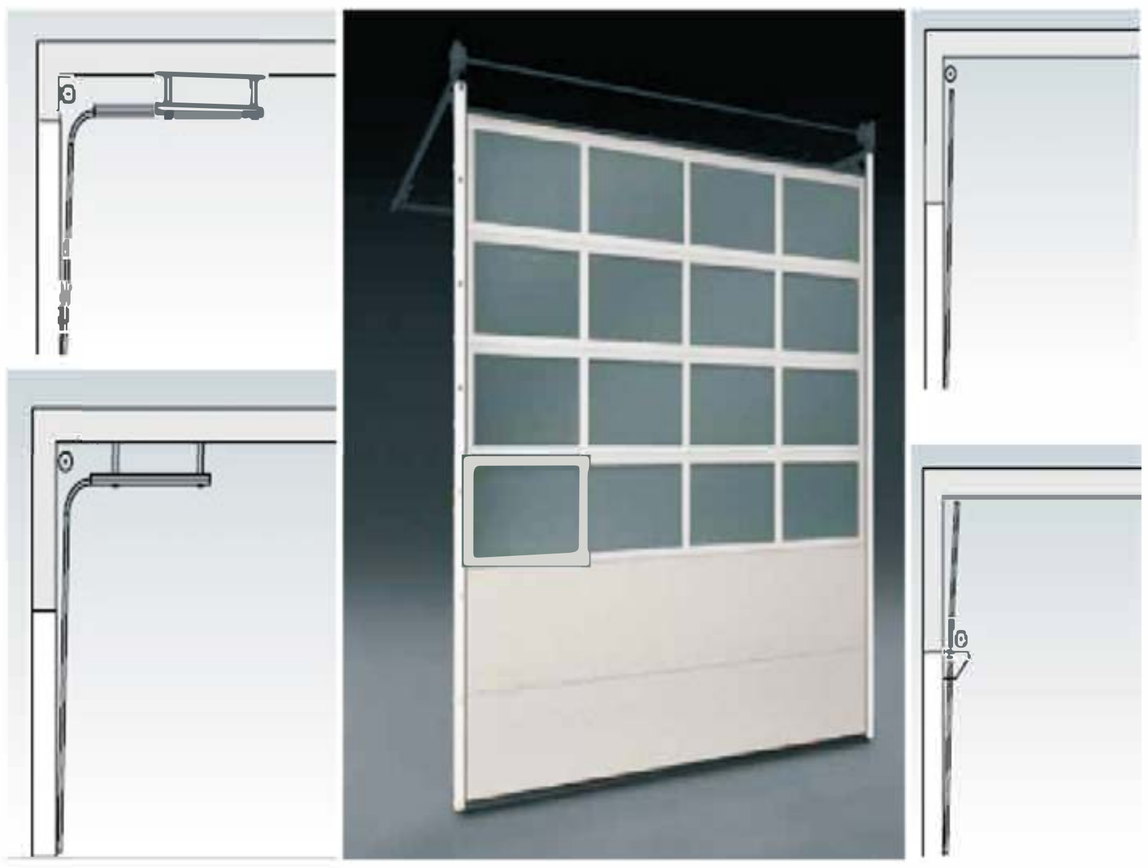

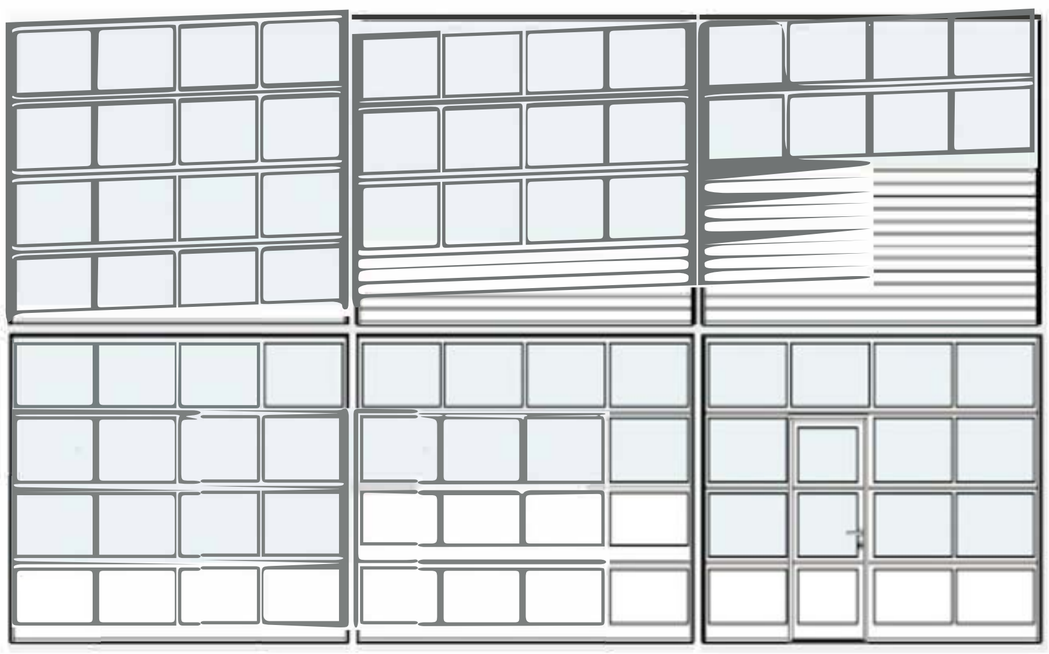

--Double Torsion Spring(Oil tempered Spring & Galvanizing Spring are available)

--Finger Protection

--Spring Break Protection

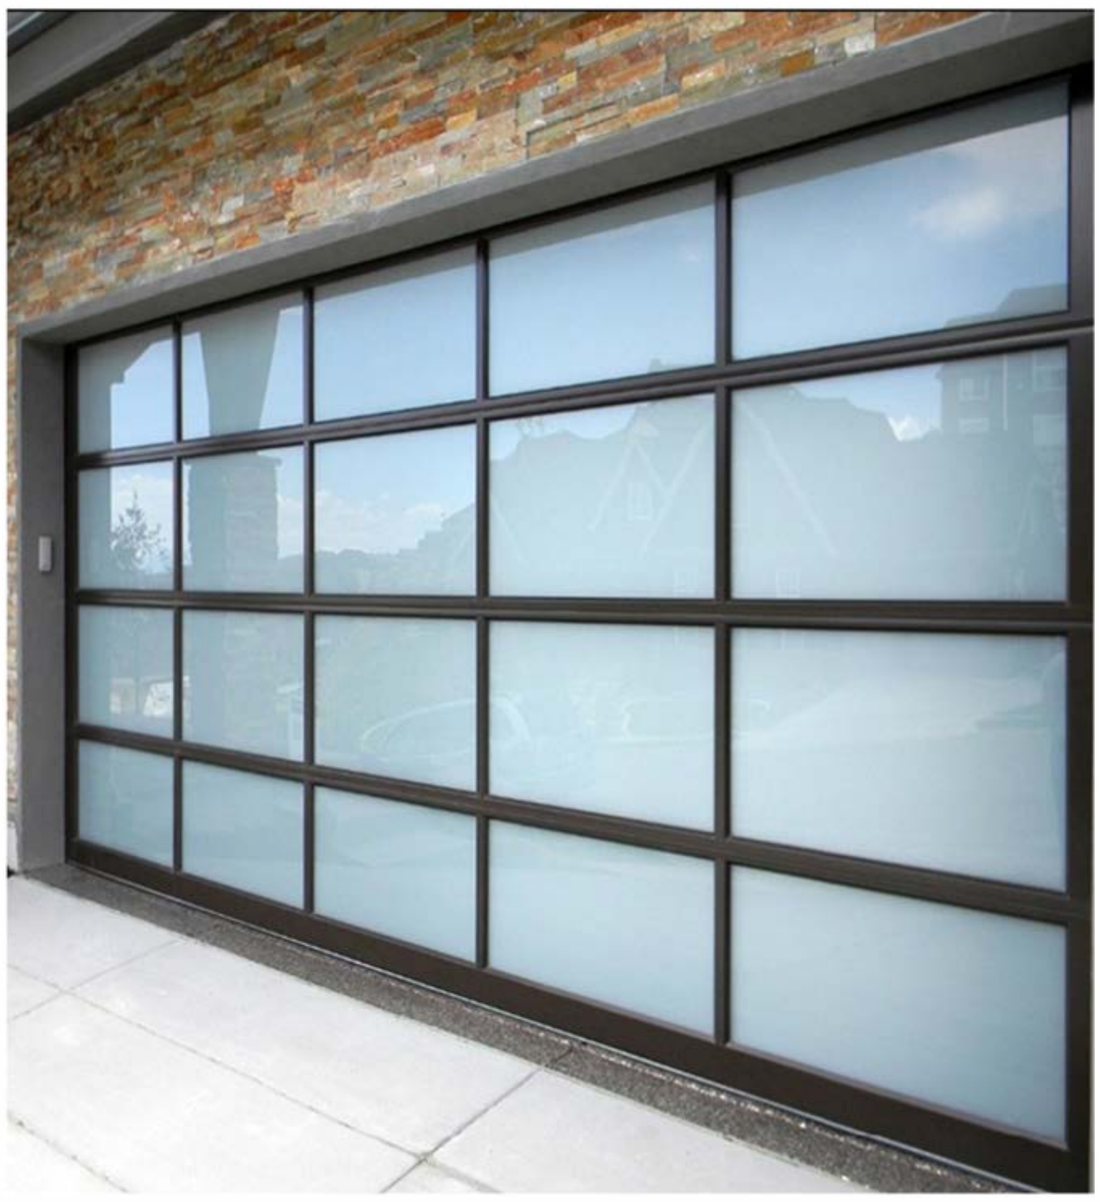

Aluminum Transparent doors are manufactured using high-quality materials for excellent durability. All frames and rails are extruded aluminum alloy and feature a beveled edge around panels. Frames and rails can be clear anodized(standard) or finished with white color or other colors. Tracks and hardware parts are manufactured by hot-dipped galvanized steel.

阳光门系统配置（Aluminum Frame Glass Garage Door）

--Door-in-Door available

--Convenient to use by remote controls, but also very easy to operation manually if emergency like power off.

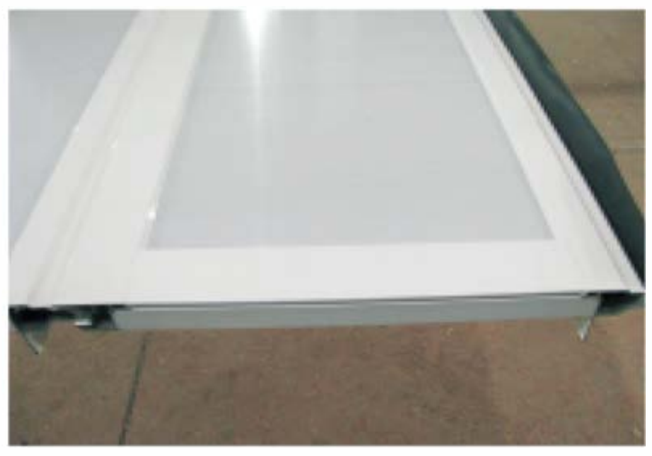

--Maximizes Light & Visibility

--Acrylic and Toughened Glass available; Single and double glazing available.

--Vinyl weather-p roof seals between sections, and bottom section with "U"shaped flexible vinyl.

Great design for lighting and visibility

Anti-pinching protection design

Excellent sealing effect
